

Keep Up With The Tools Of Your Trade While Keeping *Safety* In Mind!

Glove Guard® Glove clip

The **Glove Guard®** glove clip is the original and only one with the patented safety breakaway design. It has a proven record of reducing glove loss and hand injuries giving them a strong return on investment.

Utility Guard® Glove Clip

The **Utility Guard®** glove clip features the same safety features and robust design as the **Glove Guard®** clip but uses a belt clip instead of a small clamp to attached to the user.

This product features:

Patented Safety Breakaway

Interlocking Teeth

Metal Detectable Clips

Glove Guard is proud to introduce **Metal Detectable** products for use in the food industry to safely keep your gloves close at hand.

The Glove Guard®, Utility Guard® & Handi Klip® products are available only in light blue metal detectable versions.

Handi Klip® Glove Holder

The new **Handi Klip®** device uses a ball and socket joint that has a higher breakaway point and features oversized jaws to fit even the largest gloves.

Designed primarily for the firefighting industry, The Handi Klip® device holds up to the brief flash temperatures of a fire without coming apart or melting.

This product features:

Ball and Socket for a higher breakaway

Interlocking Teeth

Utility Bag™ Safety Tote

Not sure where to keep your tools?

The **Utility Bag™** totes can help! The Open Mesh and Soft Pouch lines work great for small tools and water bottles while the Eyeglass Bag holds your safety glasses while not in use.

All **Utility Bag™** lines feature the patented safety breakaway!

The **Soft Pouch Utility Bag™** tote is made of a soft fabric with drawstring closure and is perfect for safety glasses, flashlights and water bottles.

It is available in four colors: Blue with black, High Vis Lime Green, High Vis Orange and High Vis Yellow.

The **Open Mesh Utility Bag™** tote has an open weave design for visibility and breathability and uses Velcro® hook and loop closure. The Open Mesh bag is perfect for gas monitors and hand tools.

It is available in 7"x10", 5"x8" and 3"x5" sizes and in two colors; black and orange.

The **Eyeglass Utility Bag™** tote is a soft, formed, zippered case to hold your prescription glasses, safety glasses or sunglasses while not in use.

It is available in a red/black weave or in the new blue/black weave.

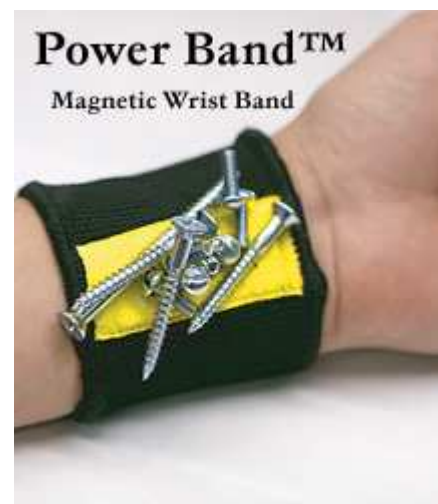

<h3 style="text-align: center;">Safety Breakaway</h3> <p>Our Utility Bag™ totes feature the patented safety breakaway** to prevent the bags from pulling someone off balance if snagged.</p> 	<h3 style="text-align: center;">Versatile Design</h3> <p>All of the Utility Bag™ lines are available with either the small Glove Guard® end (clamp) or with the Utility Guard® belt clip.</p>
