EC Type-Examination Certificate

Number 8279 Issue 2 Extension 1

This is to certify that the trouser group reference "AUPA" comprising the following garments:

Product Reference	Description
	Chainsaw protective trousers consisting of a single outer layer of 100% polyester fabric, 5 layers of chainsaw protective fabric, and a single layer of 100% polyester lining. All variant models are constructed using the same material construction, and the leg protection offered is identical across the range of garment variants:
AUPA	Standard Trouser Variant
AUSA	Bib & Brace Trouser Variant
AUJA	Seat-less Trouser Variant
COPA	As AUPA with additional Kevlar® at the knees
INPA	As AUPA with additional Kevlar® at the knees and nylon fabric at pockets and waist
FEPA	As AUPA with a heavy-weight stretch polyester outer fabric
STPA	As AUPA with Kevlar® outer fabric for trouser front
FRPA	As AUPA with nylon as outer fabric

Classification	EN 381-5:1995	Class
	Cut Resistance	1
	Design	A

Technical reports: CTCL160101452_4, SATRA: SPC0243387/1609

have been subject to an EC Type-examination in accordance with Article 10 of the PPE Directive (89/686/EEC) and has been shown to satisfy the relevant provisions of this Directive for the intermediate category through:

- i Testing to the following standard: **EN381-5: 1995**
- ii Examination of the relevant technical documentation.

You are therefore licensed to mark the products listed above in accordance with Article 13 of Directive (89/686/EEC) and any relevant amending Directives once you have drawn up an EC declaration of product conformity. Please note that:

1. Full details of the certification and product are contained in the manufacturer's technical file
2. This certificate is issued subject to the conditions on the reverse side of this certificate
3. Where a translation of this certificate exists, the English language version shall be considered as the authoritative text

CONDITIONS AND NOTES

1. CARE AND PROTECTION OF CERTIFICATES

This certificate shall be kept together with the relevant technical files in a safe place by the client named on this certificate. Production of this certificate and other documentation may be required by a representative of the EC member state government (in the UK, this will be Trading Standards Department of Local Authorities) and these must be produced within the specified time.

2. EXPIRY OF CERTIFICATES

This certificate relates only to the condition of the testable items at the time of the certification procedure. This certificate will cover the product until such a time that any of these conditions are changed. The certificate therefore does not have an expiry date.

3. WITHDRAWAL OF CERTIFICATES

SATRA Technology Centre reserves the right to withdraw this certificate if it is found that a condition of manufacture, design, materials or packaging have been changed and therefore no longer comply with the requirements of the PPE directive.

4. LOSS OF CERTIFICATES

If you lose this certificate you can get a duplicate from SATRA Technology Centre for a minimal charge by quoting details such as the approximate date of issue and the product reference.
