CLEANING & MAINTENANCE

The head warmer may be washed

It should not be cleaned with chemical or abrasive cleaners

It should be stored out of direct sunlight, away from chemicals and not exposed to extremes of temperature

LIMITATIONS OF USE

The head warmer is not designed to protect the wearer from falling masses

Protection will only be offered if the helmet and head warmer are fitted correctly

Any helmet subjected to impact should be replaced immediately

Do not apply paint, solvents, adhesives, or self-adhesive labels, except in accordance with instructions from the manufacturer

The attention of users is also drawn to the dangers of modifying or removing any of the original component parts, other than as recommended by the manufacturer

The harness, when in contact with the skin may cause allergic reactions to susceptible individuals

If this occurs leave the hazard area, remove the cap and seek medical advice
