

344 POWER GRAB KEV4

Semaless Kevlar fibre glove with Microfinish® latex coating on palm and thumb

FEATURES

Ergonomic design perfectly fits to reduce significantly hand fatigue. MicroFinish® coating technology gives comfort, flexibility and dexterity, provides an efficient grip on wet and dry surfaces, toughness and medium cut protection.

Aramid Kevlar® yarn provides very good cut protection. Level 4.

Extra coating of thumb area assures safety and protects from cuts and shocks.

Adjustable colour-coded knit wrist for size identification.

Due to the implementation of new standard EN388:2016, JUBA guarantees the performance of our gloves and the manufacturing process will not change. Remember that you can receive depending on the lot, some gloves references with different markings as both regulations will be effective during a certain period of time.
