

DESCRIPTION

Box of 100 disposable nitrile gloves powder free and non-sterile with dispenser hole for handy and quick distribution. Nitrile examination glove offers high sensibility and excellent grip. Latex free, it reduces the risks of irritation and allergy. Nitrile examination glove is single-use only and features a rolled cuff. Easy to put on and off, it offers a very good grip with its textured fingertips, enabling perfect adherence in dry as well as wet environments. Manufactured in compliance with medical norm EN455, it is also suitable for contact with foodstuffs (Commission Regulation (EU) No. 10/2011). PPE Category III with resistance to chemicals (KPT) and protection against virus, this nitrile glove is ideal for medical and scientific use, cleaning, fast food and mass catering, airports.
