PRIMARY INDUSTRIES

IDEAL APPLICATIONS

- Construction materials, concrete, bricks and tiles
- Refuse collection
- Shipping and receiving
- General handling

DESCRIPTION

- The Ansell PowerFlex® 80-100 glove is designed for use in a wide range of handling and carrying applications.
- It stands up to wear and cuts and offers plenty of comfort. For optimum productivity and safety in construction, transport, and shipping and receiving, the PowerFlex® 80-100 glove is the smart and logical choice.
- Thanks to its natural rubber coating, the Ansell PowerFlex® 80-100 glove delivers excellent overall mechanical performance for maximal protection and durability.
- The latex coating's raised crinkle finish gives the glove an excellent grip in both dry and wet conditions.
- The automatic knitted liner delivers an optimally tensioned inner surface for superb fit and flexibility.
