Features & Benefits

Feature

White polyamide knitted glove
White polyurethane coating on fingertips
Elastic wrist

Benefit

COMFORT

The knitting technique helps to obtain a glove that conforms snugly to the hand, with good dexterity. The glove offers maximum comfort and added sturdiness. The tight knit gives the glove perfect support, limits the penetration of dirt and offers a good touch. The ventilated back and palm optimise the glove's breathability.

RESISTANCE

Polyamide provides excellent abrasion and tear resistance. The PU coating ensures a good grip at the fingertips.

SAFETY

Non pilling, the polyamide is suitable for precision work. The gloves are certified as "silicone-free" to ensure their use in painting environment.

HYGIENE

Its white colour enhances the glove's hygiene and cleanliness.

Technical Description

Description

CE CATEGORY : I Minor risks
In accordance with standard :
EN 420-2003 Basic standard

CHARACTERISTICS :

White polyamide knitted glove
White polyurethane coating on fingertips
Elastic wrist

Product Technology

Knitted Coated

Gauge

15
