PRODUCT NUMBER: 6551105
BACOU FRESH S1 SRC

Honeywell

Overview	<p>Reference Number 6551105</p> <p>Product Type Footwear</p> <p>Range White</p> <p>Brand Honeywell</p> <p>Brand formerly known as BACOU</p> <p>Industry</p> <div><div></div> Food Industries<div></div> Laboratory<div></div> Medical and Pharmaceutical</div> <p>Product Use Safety shoes for professional use.</p>
----------	---

Features & Benefits	<p>Feature Fine and stylish outsole</p> <p>Benefit</p>
---------------------	--

Flexible and light Slip resistance on different types of surfaces

Feature

200J safety toecap

Benefit

Offers optimal protection

Feature

Leather lining and leather insole

Benefit

Comfort and durability

Feature

White perforated leather

Benefit

Aeration of the foot for improved comfort

Technical Description

Sizes

35-42

Table Size

Table Size

Upper

White perforated leather Leather lining

Toe Cap

200 J, steel Toe cap

Insole

Leather insole

Outsole

White PU monodensity sole Shock absorption capacity > 20 joules Good abrasion resistance High resistance to fuel oil High stretching resistance . Good resistance to repeated flexing (106 flexes) Slip resistance coefficient> 0.17

Additional Features

- SRC

Maintenance

Life Cycle

If the footwear is supplied with a part of, or the whole sole unit made of polyurethane: We advise that the footwear should be used in the limit of 3 years following the manufacturing date, which figures on the footwear.

After this time limit, certain factors such as : exposure to sunlight, hydrometry, temperature changes, could cause a modification in the structure of the material, which would no longer maintain the same performance levels with regards to the requirements defined in the European Directive 89.686 CEE.

If the footwear is supplied with a sole unit made from a material other than polyurethane: We advise that the footwear should be used in the limit of 5 years following the manufacturing date, which figures on the footwear.

Storage Information

Footwear should be stored in their original packaging, kept in a controlled stock area, not subject to rapid changes in temperature or humidity levels.

Care Instructions

After use leave your footwear to dry in an aired place away from heat.

Remove any excess dust or dirt with a brush. Remove any marks using a damp cloth and soap if necessary.

Finally polish any grain or pigmented leathers using a commercially available shoe care product.
