

# HYDROPLUS

## CUT PROTECTION GLOVE LEVEL 4

PPE Category II

Sizes : 8 to 11

**Automotive manufacturing and supply industry**

**Metal manufacturing and processing industry**

**Glass manufacturing and processing industry**

5 fingers glove and thumb in yellow waterproof leather lined with fleece in 100% para-aramid, back in 100% para-aramid fleece, elastic on the back. Reinforcement on fingertips. 10 cm cuff in 100% para-aramid fleece lined with cotton canvas. 100% para-aramid sewing thread.

## THE + PRODUCT

### RESISTANCE

The HYDROPLUS associates both the cut resistance of a 100 % para-aramid fleece and the resistance to abrasion of cow split leather.

### SEALING

The water-repellent treatment of the cow split leather provides a very good waterproofness and sealing to oils and fats.

### PROTECTION

The 100% para-aramid fleece offers a complete cut protection for both glove and cuff.

#### SPECIFICATIONS EN 388

Resistance to abrasion :  
Blade cut resistance :  
Tear resistance :  
Puncture resistance :
