### Additional Information

For minimum order quantities, please contact our local office. To access the test data of each reference, please refer to the technical specification documents located in each SKU.

### Packaging Information

boxes of 10 pairs. Cartons of 100 pairs.

## Overview

### Key Features

The Abratex line features lightweight and heavyweight knitted polyamide and cotton gloves. Version with PVC dots or without.

#### COMFORT

The knitting technique gives the glove perfect support, limits the penetration of dirt and offers a good touch. The cotton interior slows down perspiration and increases comfort.

#### RESISTANCE

The mix of both fibres, polyamide and cotton, ensure better abrasion and cutting resistance.

#### HYGIENE

The white colour enhances the gloves' hygiene and cleanliness properties. Green version for dirty applications.
