ANKLE SOCKS
PROTECTION FROM COLD
« MI-CHAUSSETTE CHALEUR »

❶ DESCRIPTION OF THE PRODUCT

COMPOSITION :

- 46% wool, 46% acrylic, 6% polyamide, 2% spandex

COLOURS :

- Colour: black

❷ FEATURES :

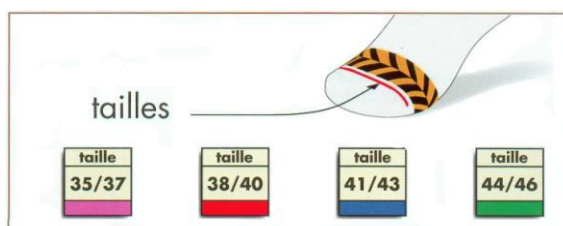

- Comfortable and warm ankle socks in weft knitted wool.
- Softness due to the presence of acrylic.
- Holds well due to the resistance and elasticity of the polyamide and spandex.
- This article corresponds to the needs of persons who are working outside or in cold environments.

Machine wash 30°

❸ USES:

- Suitable for city shoes or safety shoes

The size of each item is shown by a specific colour in the front side of the sock.

Available sizes 35/37, 38/40, 41/43 and 44/46
