ACCESSORIES

Ventilation	Via mesh crown panels above perforated shell and pad, breathable Polyester cap fabric and perforated side pads; all designed to provide optimum ventilation
Adjustment	Wheel Ratchet

PACKAGING AND MAINTENANCE

Packaging	20 per colour, box size 46 x 28.5 x 33.5cm, box weight 3.5kg
Storage	Can be stored and transported in their original cartons at ambient temperature (0°C to + 30°C) May be stored in the dark for up to 5 years Do not store in direct/high heat or sunlight as this may distort the shell
Lifetime	The Centurion cap has an in-use life of up to 5 years Excessive wear and tear can considerably reduce the lifespan of the product
Cleaning	Cap Cover: Hand Wash Only. Do not Bleach, Iron, Tumble Dry or Dry Clean. Can be wiped clean to remove general spills and dirt due to it's protective DuPont Teflon coating. Cap Shell and Central Pad: Separate, rinse under a tap, dry and refit into the cap cover.
