- Logistics
- Maintenance
- Medical and Pharmaceutical
- Offshore
- Services
- Telecoms
- Transportation
- Utilities

Product Use

Suitable for jobs related to risks associated with Abrasion, Fogging, Airborne Particulates and Impact

Features & Benefits

Feature

Exceptional Coverage, Comfort & Style in a 7-base high coverage lens

Benefit

INSTINCT provides total wrap-around coverage while still ensuring exceptional peripheral vision. This safety solution offers superior protection and personal adjustability for a close, snug fit in a new stylish design that workers will ask to wear!

Feature

Adjustability: Ratcheting Temples for proper lens inclination and flexible soft "finger" nose piece.

Benefit

INSTINCT protects from the top of the eye to the bottom with no gaps in coverage. The adjustability makes this an easy

eyewear to fit a wide variety of facial profiles, including both men and women. The soft finger nose countours to nearly any shape nose and make this an extremely comfortable pair of safety eyewear.

Feature

Extreme Comfort - Multi-Material Technology - MMT ultra-soft two-shot material on any part of the frame in contact with the face or head (brow, nose bridge and temples).

Benefit

All pressure points are relieved for exceptional all-day comfort!
