Features & Benefits

Feature

Knitted glove cotton/polyamide grey. Palm and fingertips coated in blue color crinkled latex. Knitted wrist. Lenght : 26 cm.

Benefit

COMFORT The knitting technique helps to obtain a glove that conforms snugly to the hand and good dexterity. The glove offers maximum comfort and added sturdiness. The cotton thread absorbs perspiration thus provides added comfort. The ventilated back improves the glove's breathability. **RESISTANCE** The crinkled latex coating provides resistance to abrasion and perforation as well as an excellent grip.

Feature

Product delivered in a clear and effective packaging designed for a self-service environment, which provides the needed

information to easily make the right protection choice. It includes pictograms to easily recognize the protection range as well as hazards identification and product advantages.

Benefit

Customers can easily recognize which personal protective equipment to choose, depending on their work environment and the risks they face. As a result, they become autonomous and can be sure they are making the right protection choice.
